Image Characteristics Summary

All images feature:

- ✓ Warm, natural lighting
- ✓ Authentic, non-stock photo feel (mostly from Pexels and quality sources)
- ✓ Real emotions and genuine expressions
- ✓ High quality and professional appearance
- ✓ Diverse representation (age, gender, dog breeds)
- ✓ Golden hour aesthetic where applicable

Usage in Website

These images are ready to be used in the DogText website redesign. Reference them in your Next.js components using:

```
<Image  
  src="/images/hero_child_golden_retriever.jpg"  
  alt="Child hugging golden retriever"  
  width={1600}  
  height={900}  
>
```

Or for CSS backgrounds:

```
background-image: url('/images/hero_child_golden_retriever.jpg');
```
